NMCAL Legislative Committee Progress Report

Presented to the NMCAL Membership

August 2, 2012

- The NMCAL Legislative Committee met on May 31, 2012. We worked on tailoring a power point presentation we used at the Taos NMCAL Directors Retreat. The purpose was to provide everyone a guide for advocating the 2012 Library GO Bond election November 6th.

The power point incorporates data, photographs, library information, etc. pertinent to our use.
